

NATIONAL HORSESHOE PITCHERS ASSOCIATION OF AMERICA

August 2018

TO: All Charter Secretary/Treasurers

FROM: David Sidles NHPA Sec/Treasurer

SUBJECT: 2018 Final Membership Report

Included below are the following sheets: Print and fill out by hand. Send completed forms to the NHPA office.

- 1. Final Charter Membership Report for 2018.** Report your final membership numbers on this form. Include any members not yet reported on any previous reports. Dollar amount totals must be correct for the number of members reported. Submit any unpaid membership dues with this report.

This form must be returned by November 1st, 2018

If for some reason you cannot complete this by the date above, or you need help completing the form, please let me know.

- 2. Charter Officer Information Report.** Submit this form as soon as you are able. It is understood that elections for Charter Officers do not all occur at the same time. If you are unable to do it now, copy this sheet and submit later.

- 3. State Champion Sheet.** Complete all applicable categories with ringer percent's to two decimal places.

2019 Membership Cards will be available by October 1st, 2018. These cards can be used to participate in sanctioned events through the remainder of 2018 and all of 2019.

Cards will be mailed in late September **only** to Charters that have submitted this Final Membership Report and a complete list of their members along with any unpaid dues. Any members listed on NATSTATS must be on this list plus any non-playing members. This list must include the following information:

NHPA card number, full name (as it appears on NATSTATS if listed there), mailing address, and email address if available.

Optional information: Telephone, and years of membership.

Do **NOT** issue new numbers to members with existing numbers. Numbers can be reused **only** after three (3) years of non-use of that number.

The NHPA would like to eventually have all Charters using HSMaster for your membership recording and reporting. It is designed to do this and instruction is available for anyone wanting to learn how to install and/or use the program. An Excel spreadsheet is also acceptable if you are sending by email.

Email reports (preferred method) to sec.treas@horseshoepitching.com

Mail checks separately or with Final Report to: NHPA
